Specific Audit Approach

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

AUDIT APPROACH

Grau's Understanding of Work Product / Scope of Services:

We recognize the District is an important entity and we are confident our firm is eminently qualified to meet the challenges of this engagement and deliver quality audit services. ***You would be a valued client of our firm and we pledge to commit all firm resources to provide the level and quality of services (as described below) which not only meet the requirements set forth in the RFP but will exceed those expectations.*** Grau & Associates fully understands the scope of professional services and work products requested. Our audit will follow the Auditing Standards of the AICPA, *Generally Accepted Government Auditing Standards*, issued by the Comptroller General of the United States, and the Rules of the Auditor General of the State of Florida and any other applicable Federal, State or Local regulations. **We will deliver our reports in accordance with your requirements.**

Proposed segmentation of the engagement

Our approach to the audit engagement is a risk-based approach which integrates the best of traditional auditing techniques and a total systems concept to enable the team to conduct a more efficient and effective audit. The audit will be conducted in three phases, which are as follows:

Phase I - Preliminary Planning

A thorough understanding of your organization, service objectives and operating environment is essential for the development of an audit plan and for an efficient, cost-effective audit. During this phase, we will meet with appropriate personnel to obtain and document our understanding of your operations and service objectives and, at the same time, give you the opportunity to express your expectations with respect to the services that we will provide. Our work effort will be coordinated so that there will be minimal disruption to your staff.

During this phase we will perform the following activities:

- » Review the regulatory, statutory and compliance requirements. This will include a review of applicable federal and state statutes, resolutions, bond documents, contracts, and other agreements;
- » Read minutes of meetings;
- » Review major sources of information such as budgets, organization charts, procedures, manuals, financial systems, and management information systems;
- » Obtain an understanding of fraud detection and prevention systems;
- » Obtain and document an understanding of internal control, including knowledge about the design of relevant policies, procedures, and records, and whether they have been placed in operation;
- » Assess risk and determine what controls we are to rely upon and what tests we are going to perform and perform test of controls;
- » Develop audit programs to incorporate the consideration of financial statement assertions, specific audit objectives, and appropriate audit procedures to achieve the specified objectives;
- » Discuss and resolve any accounting, auditing and reporting matters which have been identified.

Phase II – Execution of Audit Plan

The audit team will complete a major portion of transaction testing and audit requirements during this phase. The procedures performed during this period will enable us to identify any matter that may impact the completion of our work or require the attention of management. Tasks to be performed in Phase II include, but are not limited to the following:

- » Apply analytical procedures to further assist in the determination of the nature, timing, and extent of auditing procedures used to obtain evidential matter for specific account balances or classes of transactions;
- » Perform tests of account balances and transactions through sampling, vouching, confirmation and other analytical procedures; and
- » Perform tests of compliance.

Phase III - Completion and Delivery

In this phase of the audit, we will complete the tasks related to year-end balances and financial reporting. All reports will be reviewed with management before issuance, and the partners will be available to meet and discuss our report and address any questions. Tasks to be performed in Phase III include, but are not limited to the following:

- » Perform final analytical procedures;
- » Review information and make inquiries for subsequent events; and
- » Meeting with Management to discuss preparation of draft financial statements and any potential findings or recommendations.

You should expect more from your accounting firm than a signature in your annual financial report. Our concept of truly responsive professional service emphasizes taking an active interest in the issues of concern to our clients and serving as an effective resource in dealing with those issues. In following this approach, we not only audit financial information with hindsight but also consider the foresight you apply in managing operations.

Application of this approach in developing our management letter is particularly important given the increasing financial pressures and public scrutiny facing today's public officials. We will prepare the management letter at the completion of our final procedures.

In preparing this management letter, we will initially review any draft comments or recommendations with management. In addition, we will take necessary steps to ensure that matters are communicated to those charged with governance.

In addition to communicating any recommendations, we will also communicate the following, if any:

- » Significant audit adjustments;
- » Significant deficiencies or material weaknesses;
- » Disagreements with management; and
- » Difficulties encountered in performing the audit.

Our findings will contain a statement of condition describing the situation and the area that needs strengthening, what should be corrected and why. Our suggestions will withstand the basic tests of corrective action:

To assure full agreement with facts and circumstances, we will fully discuss each item with Management prior to the final exit conference. This policy means there will be no “surprises” in the management letter and fosters a professional, cooperative atmosphere.

Communications

We emphasize a continuous, year-round dialogue between the District and our management team. We regularly communicate through personal telephone calls and electronic mail throughout the audit and on a regular basis.

Our clients have the ability to transmit information to us on our secure client portal with the ability to assign different staff with separate log on and viewing capability. This further facilitates efficiency as all assigned users receive electronic mail notification as soon as new information has been posted into the portal.

Cost of Services

RESOLUTION 2025-04
[FY 2026 ASSESSMENT RESOLUTION]

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE PARKSIDE TRAILS COMMUNITY DEVELOPMENT DISTRICT PROVIDING FOR FUNDING FOR THE FY 2026 ADOPTED BUDGET(S); PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS, INCLUDING BUT NOT LIMITED TO PENALTIES AND INTEREST THEREON; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Parkside Trails Community Development District ("**District**") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District, located in Lake County, Florida ("**County**"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, for the fiscal year beginning October 1, 2025, and ending September 30, 2026 ("**FY 2026**"), the Board of Supervisors ("**Board**") of the District has determined to undertake various operations and maintenance and other activities described in the District's budget ("**Adopted Budget**"), attached hereto as **Exhibit A**; and

WHEREAS, pursuant to Chapter 190, *Florida Statutes*, the District may fund the Adopted Budget through the levy and imposition of special assessments on benefitted lands within the District and, regardless of the imposition method utilized by the District, under Florida law the District may collect such assessments by direct bill, tax roll, or in accordance with other collection measures provided by law; and

WHEREAS, in order to fund the District's Adopted Budget, the District's Board now desires to adopt this Resolution setting forth the means by which the District intends to fund its Adopted Budget.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE PARKSIDE TRAILS COMMUNITY DEVELOPMENT DISTRICT:

1. **FUNDING.** The District's Board hereby authorizes the funding mechanisms for the Adopted Budget as provided further herein and as indicated in the Adopted Budget attached hereto as **Exhibit A** and the assessment roll attached hereto as **Exhibit B ("Assessment Roll")**.

2. **OPERATIONS AND MAINTENANCE ASSESSMENTS.**

- a. **Benefit Findings.** The provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibit A** and **Exhibit B** and is hereby found to be fair and reasonable.

- b. **O&M Assessment Imposition.** Pursuant to Chapter 190, *Florida Statutes*, a special assessment for operations and maintenance (“**O&M Assessment(s)**”) is hereby levied and imposed on benefitted lands within the District and in accordance with **Exhibit A** and **Exhibit B**. The lien of the O&M Assessments imposed and levied by this Resolution shall be effective upon passage of this Resolution.
- c. **Maximum Rate.** Pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the “maximum rate” authorized by law for operation and maintenance assessments.

3. **RESERVED.**

4. **COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.** Pursuant to Chapter 190, *Florida Statutes*, the District is authorized to collect and enforce the Assessments as set forth below.

- a. **Tax Roll Assessments.** To the extent indicated in **Exhibit A** and **Exhibit B**, those certain O&M Assessments (if any) and/or Debt Assessments (if any) imposed on the “**Tax Roll Property**” identified in **Exhibit B** shall be collected by the County Tax Collector at the same time and in the same manner as County property taxes in accordance with Chapter 197, *Florida Statutes* (“**Uniform Method**”). That portion of the Assessment Roll which includes the Tax Roll Property is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County property taxes. The District’s Board finds and determines that such collection method is an efficient method of collection for the Tax Roll Property.
- b. **Future Collection Methods.** The District’s decision to collect Assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

5. **ASSESSMENT ROLL; AMENDMENTS.** The Assessment Roll, attached hereto as **Exhibit B**, is hereby certified for collection. The Assessment Roll shall be collected pursuant to the collection methods provided above. The proceeds therefrom shall be paid to the District. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll.

6. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

ATTACHMENT I

Section 1 Scope of Services of FMS: FMS proposes that its duties as Underwriter shall be limited to the following:

1. To provide advice to the Issuer on the structure, timing and terms of the Bonds;
2. To coordinate the financing process;
3. To conduct due diligence;
4. To assist in the preparation of an offering memorandum;
5. To review the assessment methodology and Bond documents;
6. To market and offer Bonds to investors.

Section 2 Terms and Conditions:

1. Underwriter Fee (“Underwriting Fee”). FMS shall act as sole lead underwriter. The Underwriting Fee to FMS for acting as Underwriter shall be 2% of the par amount of any Bonds issued. The Underwriting Fee shall be due and payable only upon the closing of the Bonds. The Underwriting Fee may be modified pursuant to a bond delegation or award resolution approved by the Board and consented to by the Underwriter.
2. Price and Interest Rates: The offering price and interest rates are expected to be based on recent comparable transactions in the market, if any. FMS and the Issuer will jointly determine the offering price and interest rates immediately prior to the start of the order period, based on market conditions then prevailing.
3. Bond Purchase Agreement. The obligations of the Underwriter and those of the Issuer would be subject to the satisfactory completion of due diligence and to the customary representations, warranties, covenants, conditions, including provisions respecting its termination contained in the form of a bond purchase agreement FMS will prepare and as generally used in connection with the offering of Bonds for this type of transaction.
4. Costs of Issuance. The Issuer shall be responsible for the payment of all expenses relating to the offering, including but not limited to, attorney fees, consultant fees, costs associated with preparing offering documents, if any, the purchase agreement, regulatory fees and filing fees and expenses for qualification under blue sky laws designated by FMS and approved by the Issuer.
5. Assumptions. The proposed terms and statements of intention set forth in this attachment are based on information currently available to FMS about the Issuer and the market for special assessment bonds similar to the Bonds and the assumptions that:

- a) the financial condition and history of the project shall be substantially as understood, and the financial information for the relevant and appropriate period ended to be included in the final offering memorandum will not vary materially from those set forth in the material furnished to FMS;
 - b) no adverse developments shall occur which materially and adversely affect the underlying security and financial condition of the Issuer and the primary landowner and developer;
 - c) the offering memorandum will comply with all applicable laws and regulations;
 - d) there will not be any unanticipated substantial delays on the part of the Issuer in completing the transaction; and
 - e) all conditions of the Underwriter to purchase Bonds will be included in the bond purchase agreement and conditions shall be satisfied or waived, in the sole discretion of the Underwriter.
6. Information. The Issuer agrees to reasonably and actively assist FMS in achieving an underwriting that is satisfactory to FMS and the Issuer. To assist FMS in the underwriting the Issuer will (a) provide and cause the Issuer's staff and its professionals to provide FMS upon request with all information reasonably deemed necessary by FMS to complete the underwritings, included but not limited to, information and evaluations prepared by the Issuer and its advisors and the primary landowner and developer; and (b) otherwise assist FMS in its underwriting efforts.
7. Term of Engagement. The term of our engagement shall commence as of the date the covering letter is executed by the Issuer and continue in full force and effect unless terminated by either party. In event of termination by the Issuer without cause, FMS shall be entitled to recover its reasonable out of pocket expenses incurred up to the date of termination.
8. No Commitment. Notwithstanding the foregoing, nothing herein shall constitute an agreement to provide a firm commitment, underwriting or placement or arrangement of any securities by FMS or its affiliates. Any such commitment, placement or arrangement shall only be made a part of an underwriting agreement or purchase agreement at the time of the sale of the Bonds.

The engagement contemplated hereby is solely for the benefit of the Issuer and FMS and their respective successors, assigns and representatives and no other person or entity shall acquire or have any right under or by virtue hereof.

This engagement contains the entire understanding of the parties relating to the transactions contemplated hereby and supersedes all prior agreements, understandings and negotiations with respect thereto.

9. No Financial Advisor. FMS's role is limited to that of an Underwriter and not a financial advisor or municipal advisor.

ATTACHMENT II

MSRB Rule G-17 Disclosure --- The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the “Underwriter”) and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the “Bonds”). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer’s interest in this transaction.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.
- The Underwriter’s primary role is to purchase the Bonds in an arm’s-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter’s compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal, accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.

This opinion of probable costs represents the Engineer's judgment as a design professional and is supplied for the general guidance of the District. The Engineer has no control over the cost of labor and material, competitive bidding or market conditions. While it is the Engineer's opinion that the costs identified herein are reasonable and sufficient for the design, construction and/or installation of the 2025 Project, the Engineer does not guarantee the accuracy of such opinions as compared to contractor bids or actual cost to the District.

3. CONCLUSION

The 2025 Project will be designed in accordance with current governmental regulations and requirements. The 2025 Project will serve its intended function so long as the construction is in substantial compliance with the design. It is further our opinion that:

- the estimated cost of the 2025 Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the 2025 Project are required by applicable development approvals;
- The 2025 Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the 2025 Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course;
- the assessable property within the District will receive a special benefit from the 2025 Project that is at least equal to the costs of the 2025 Project.

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

As described above, this report identifies the benefits from the 2025 Project to the lands within the District. The general public, property owners, and property outside the District will benefit from the provisions of the 2025 Project; however, these are incidental to the 2025 Project, which is designed solely to provide special benefits peculiar to property within the District. Special and peculiar benefits accrue to property within the District and enable properties within its boundaries to be developed.

The 2025 Project will be owned by the District or other governmental units and such 2025 Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the 2025 Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The 2025 Project, and any cost set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the 2025 Project or the fair market value.

Please note that the 2025 Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the 2025 Project, as used herein, refers to sufficient public infrastructure of the kinds described herein to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation

of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

GMS-CF, LLC does not represent the Parkside Trails Community Development District as a Municipal Advisor or Securities Broker nor is GMS-CF, LLC registered to provide such services as described in Section 15B of the Securities and Exchange Act of 1934, as amended. Similarly, GMS-CF, LLC does not provide the Parkside Trails Community Development District with financial advisory services or offer investment advice in any form.

1.0 Introduction

The Parkside Trails Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes, as amended (the “District”). The District plans to issue approximately \$7,645,000 of tax exempt bonds (the “Series 2025 Bonds” or “Bonds”) for the purpose of financing certain infrastructure improvements within the District described in the Engineer’s Report dated September 19, 2024 updated January 10, 2025 as supplemented by the First Supplemental Engineer’s Report For The Parkside Trails Community Development District dated August 27, 2025 prepared by Vanasse Hangen Brustlin, Inc (the “District Engineer”), as may be amended and supplemented from time to time (collectively, the “Engineer’s Report”). The District anticipates the construction and/or acquisition of public infrastructure improvements consisting of improvements that benefit property owners within the herein defined 2025 Project Area within the District.

1.1 Purpose

This Preliminary First Supplemental Assessment Methodology (the “Supplemental Assessment Report”) supplements the Master Assessment Methodology dated September 25, 2024 revised January 29, 2025 (the “Master Report” and together with this Supplemental Assessment Report, the “Assessment Report”) and provides for an assessment methodology for allocating the debt assessments to properties within the District based on the special benefits each receives from a portion of the District’s capital improvement plan as described in the Engineer’s Report (“CIP”) relating to Phases 1 & 3 of development (herein the “Series 2025 Project”). The Assessment Report is designed to conform to the requirements of Chapters 170, 190, and 197, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within the 2025 Project Area within the District securing the repayment of the Series 2025 Bonds based on this Supplemental Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Supplemental Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District consists of approximately 285 acres within the City of Clermont, Lake County, Florida. The development program for Parkside Trails Phases 1 & 3 contains 496 platted residential units (herein the “2025 Project Area”), which represents a portion of the planned development within the District (the “Development”). It is

recognized that such land use plan may change, and this Supplemental Assessment Report will be modified accordingly. The Development units planned for the 2025 Project Area, ultimately are the benefitting properties of the Series 2025 Project and are anticipated to fully absorb and secure the debt assessments pledged to the Series 2025 Bonds.

The public improvements contemplated by the District in the Series 2025 Project will provide facilities that benefit the assessable property within the 2025 Project Area within the District. The Series 2025 Project is delineated in the Engineer's Report. Specifically, in regard to the Series 2025 Project, the District will construct and/or acquire certain stormwater improvements, roadways, water & wastewater utilities, lift station & forcemain, reclaim water main utilities, reclaim well & pump infrastructure, hardscape, landscape & irrigation, offsite utility, differential cost of undergrounding electric, and soft costs. Only a portion of the CIP constituting the Series 2025 Project will be funded with the available net proceeds of the Series 2025 Bonds. The Series 2025 Project estimated acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the Series 2025 Project.
2. The District Engineer determines the assessable acres that benefit from the District's Series 2025 Project.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct the Series 2025 Project.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, site planned, or subjected to a declaration of condominium, this amount will be assigned to each of the benefited properties based on an ERU basis.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the assessable property, different in kind and degree than general benefits, for properties outside its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the 2025 Project Area within the District. The implementation of the Series 2025 Project enables properties within the 2025 Project Area boundaries to be developed. Without the District's Series 2025 Project, there would be no infrastructure to support the development of land within

the 2025 Project Area within the District. Without these improvements, the proposed Development within the 2025 Project Area within the District would be prohibited by law.

There is no doubt that the general public and property owners outside of the District will benefit from the provision of the District's Series 2025 Project. However, these benefits will be incidental to the District's Series 2025 Project, which is designed solely to meet the needs of property within the 2025 Project Area within the District. Properties outside the 2025 Project Area within the District boundaries do not depend upon the District's Series 2025 Project. The property owners within the 2025 Project Area within the District are therefore receiving special benefits not received by those outside the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of benefit that meets these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the 2025 Project Area within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's Series 2025 Project that is necessary to support full development of property will cost approximately \$35,027,300. The District's underwriter projects that financing costs required to fund a portion of the Series 2025 Project, the cost of issuance of the Bonds, funding capitalized interest, and the funding of the debt service reserve account, will be approximately \$7,645,000. Additionally, funding required to complete the Series 2025 Project which is not funded with the proceeds of the Series 2025 Bonds is anticipated to be funded by Pulte Home Company, LLC (the "Developer"), or a related developer entity. Without the Series 2025 Project, the property within the 2025 Project Area would not be able to be developed per the Development program and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District plans to issue approximately \$7,645,000 in Series 2025 Bonds to fund a portion of the District's Series 2025 Project, fund a debt service reserve account, fund capitalized interest, and pay costs of issuance. It is the purpose of this Assessment Report to allocate the \$7,645,000 in debt to the properties benefiting from the Series 2025 Project.

Table 1 identifies the proposed land uses as identified by the Developer and current landowners of the land within the 2025 Project Area of the District. The District has relied on the Engineer's Report to develop the costs of the Series 2025 Project needed to support a portion of the Development; these estimated construction costs are outlined in Table 2. The improvements needed to support the 2025 Project Area are described in detail in the Engineer's Report and are estimated to cost \$35,027,300. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for a portion of the 2025 Project and related costs is estimated by the District's underwriter to total approximately \$7,645,000. Table 3 shows the breakdown of the bond sizing for the Series 2025 Bonds.

2.2 Allocation of Debt

The 2025 Project funded by the District's Series 2025 Bonds benefits all the platted residential property within the 2025 Project Area within the District. The initial assessments will be levied on an equivalent residential unit basis and will be allocated to the platted residential property within the 2025 Assessment within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The 2025 Project includes but is not limited to stormwater improvements, roadways, water & wastewater utilities, lift station & forcemain, reclaim water main utilities, reclaim well & pump infrastructure, hardscape, landscape & irrigation, offsite utility, differential cost of undergrounding electric, and soft costs as further provided in the Engineer's Report. There are five residential product types within the planned Development for the 2025 Project Area. The single family 50' lot has been set as the base unit and has been assigned one equivalent residential unit ("ERU") per lot. The CIP for the District is reflected in Table 2. Table 4 shows the allocation of the Series 2025 Project to the particular land uses. It is important to note that the benefit derived

from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of the proposed Series 2025 Project will provide several types of systems, facilities and services for its residents. These include stormwater improvements, roadways, water & wastewater utilities, lift station & forcemain, reclaim water main utilities, reclaim well & pump infrastructure, hardscape, landscape & irrigation, offsite utility, differential cost of undergrounding electric, and soft costs. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

For the provision of the 2025 Project relating to the Development, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

3.0 True Up Mechanism

Although the District does not process plats, declarations of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Properties. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, declaration of condominium, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service, then no debt reduction or true-up payment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce

the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required. Unless the 2025 Project Area is re-platted this section 3.0 shall not be applicable.

4.0 Assessment Roll

The District will distribute the liens across the 496 platted lots within the boundaries of the 2025 Project Area within the District. The current assessment roll is depicted in Table 7.

Section 1. Negotiated Limited Offering of 2025 Bonds. The District hereby finds that because of the complex nature of assessment bond financings in order to better time the sale of the 2025 Bonds and secure better interest rates, it is necessary and in the best interest of the District that the 2025 Bonds, in the aggregate principal amount of not exceeding \$9,000,000, be sold on a negotiated limited offering basis. The District hereby further finds that it will not be adversely affected if the 2025 Bonds are not sold pursuant to competitive sales.

Section 2. Purpose. The District has authorized its capital improvement plan for the development of the District, as set forth in the Engineer’s Report, and hereby authorizes the financing of a portion of the acquisition and construction of certain public infrastructure benefiting the assessable lands within the District by issuing the 2025 Bonds to finance a portion of such public infrastructure described in the Engineer’s Report and constituting the 2025 Project. Subject to the last sentence of this Section 3, the Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary of the District is hereby authorized (if so required) to affix the Seal of the District and attest to the execution of the Bond Purchase Contract in substantially the form presented at this meeting. The disclosure statements of the Underwriter, as required by Section 218.385, Florida Statutes, to be delivered to the District prior to the execution of the Bond Purchase Contract, a draft copy of which is attached as an exhibit to the Bond Purchase Contract, will be entered into the official records of the District. The Bond Purchase Contract, in final form as determined by counsel to the District and the Chairperson, may be executed by the District without further action provided that (i) the 2025 Bonds mature not later than the statutory permitted period; (ii) the principal amount of the 2025 Bonds issued does not exceed \$9,000,000; (iii) the interest rate on the 2025 Bonds shall not exceed the maximum rate permitted under Florida law; (iv) if the 2025 Bonds are subject to optional redemption which determination will be made on or before the sale date of the 2025 Bonds, the first optional call date and the redemption price shall be determined on or before the sale date of the 2025 Bonds; and (v) the purchase price to be paid by the Underwriter for the 2025 Bonds is not less than 98% of the par amount of the 2025 Bonds issued (exclusive of any original issuance discount).

Section 4. The Limited Offering Memorandum. The Limited Offering Memorandum, in substantially the form of the Preliminary Limited Offering Memorandum (as herein defined and subject to the other conditions set forth herein) attached hereto as Exhibit B, with such changes as are necessary to conform to the details of the 2025 Bonds and the requirements of the Bond Purchase Contract, is hereby approved. The District hereby authorizes and consents to the use by the Underwriter of a Preliminary Limited Offering Memorandum substantially in the form attached hereto as Exhibit B, in connection with the limited offering of the 2025 Bonds (the "Preliminary Limited Offering Memorandum"). The final form of a Preliminary Limited Offering Memorandum shall be determined by the Underwriter and the professional staff of the District. The Limited Offering Memorandum may be modified in a manner not inconsistent with the substance thereof and the terms of the 2025 Bonds as shall be deemed advisable by Bond Counsel and counsel to the District, with final approval by the Chairperson. The Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby further authorized to execute and deliver on behalf of the District, the Limited Offering Memorandum and any amendment or supplement thereto, with such changes, modifications and deletions as the member of the Board executing the same may deem necessary and appropriate with the advice of Bond Counsel and counsel to the District, with final approval by the Chairperson, such execution and delivery to be conclusive evidence of the approval and authorization thereof by the District. Governmental Management Services - Central Florida, LLC is hereby appointed the initial dissemination agent.

Section 7. Authorization of Execution and Delivery of the First Supplemental Trust Indenture; Application of Master Indenture. Squire Patton Boggs (US) LLP has been retained as counsel to the Underwriter and will be compensated by the District.

The District is proposing to issue \$[PAR] aggregate amount of the Bonds for the purpose of providing funds, to: (i) pay for the Costs of acquiring and/or constructing a portion of the 2025 Project, (ii) fund interest on the Series 2025 Bonds through at least November 1, 2025, (iii) fund the Series 2025 Reserve Account in an amount equal to the initial Series 2025 Reserve Requirement, and (iv) pay the costs of issuance of the Bonds.

This debt or obligation is expected to be repaid over a period of approximately ___ years and ___ months. At a true interest rate of _____%, total interest paid over the life of the Bonds will be \$_____.

The source of repayment for the Bonds are the Series 2025 Special Assessments imposed and collected by the District. Based solely upon the assumptions set forth in the paragraph above, the issuance of the Bonds will result in approximately \$_____ (representing the average annual debt service payments due on the Bonds) of the District's special assessment revenues not being available to the District on an annual basis to finance other capital projects of the District; provided however, that in the event that the Bonds were not issued, the District would not be entitled to impose and collect the Series 2025 Special Assessments in the amount of the principal of and interest to be paid on the Bonds.

Re: \$[PAR] Parkside Trails Community Development District Special Assessment Bonds,

Ladies and Gentlemen:

We have acted as special counsel for JEN Florida 47 LLC, a Florida limited liability company (“Land Bank”), which owns land within the residential community known as [Parkside Trails] (“Development”) located within the Parkside Trails Community Development District (“District”), in Lake County, Florida, in connection with the issuance of the District’s above-referenced Bonds (“Bond Transaction”), as described in:

This opinion is delivered specifically in connection with the execution and delivery by Land Bank of the following documents, each of even date herewith, all relating to the Bonds (collectively, the “Land Bank Documents”), all dated as of [Closing Date] (the “Closing Date”), which we have examined in our limited capacity as special counsel:

Finally, we have examined the following permitting and related engineering documents (collectively, the “Land Bank Permitting Documents”): [insert any necessary documents.]

The opinions expressed herein are subject to the following assumptions and qualifications:

[Insert customary assumptions and qualifications.]

Based upon the foregoing, and subject to the assumptions and qualifications set forth herein, we are of the opinion that:

1. The Land Bank is a Florida limited liability company, duly organized, whose status is “Active” under the laws of the State of Florida.
2. The Land Bank has the power to conduct its business and to undertake the Development as described in the Limited Offering Memoranda and to enter into the Land Bank Documents.
3. The Land Bank Documents have been authorized by all necessary corporate action, executed and delivered by Land Bank, and the Land Bank Documents constitute legal, valid and binding obligations of Land Bank, enforceable in accordance with their respective terms.
4. The execution, delivery, and performance of the Land Bank Documents by Land Bank do not violate (a) Land Bank’s Operating Agreement, (b) to our knowledge, any agreement, instrument or Federal or Florida law, rule or regulation to which Land Bank is a party or by which Land Bank’s assets are or may be bound; or (c) to our knowledge, any judgment, decree or order

of any administrative tribunal, which judgment, decree, or order is binding on Land Bank or its assets.

5. Nothing has come to our attention that would lead us to believe the information contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT,” “THE DEVELOPER AND THE LAND BANK,” “LITIGATION – The Land Bank” and “CONTINUING DISCLOSURE” (as it relates to the Land Bank only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact, nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the respective dates of the Limited Offering Memoranda or as of the date hereof.

6. To our knowledge, the Land Bank is in compliance in all material respects with all provisions of applicable law in all material matters relating to the development of the Development, including the 2025 Project, as described in the Limited Offering Memoranda. Except as described in the Limited Offering Memoranda, including, without limitation the section thereof entitled “THE DEVELOPMENT – Zoning and Permitting”: (a) we have confirmed Land Bank has received the approvals and permits for the development of the Development as described in the Limited Offering Memoranda, and that the Land Bank intends to obtain the remaining permits for the Developments in the ordinary course; and (b) we have no actual knowledge of any default of any zoning condition, land use permit, or development agreement which would adversely affect Land Bank’s ability to complete development of the Development as described in the Limited Offering Memoranda.

7. The levy of the Series 2025 Special Assessments on the lands within the Development will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which Land Bank is a party or to which Land Bank or any of its property or assets is subject.

8. We hereby consent to the use of such Assessment Methodology in the Limited Offering Memoranda and consent to the references to us therein.

4. (2025 PROJECT AREA)

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Parkside Trails Community Development District (the “District”) of its \$7,645,000* Special Assessment Bonds, Series 2025 (2025 Project Area) (the “Series 2025 Bonds”).

THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AS AMENDED, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2025 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), and Ordinance No. 2024-045 enacted by the City Council of the City of Clermont, Florida (the “City”) on June 25, 2024. The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 255.32+/- gross acres of land (the “District Lands”) located within the City of Clermont, Florida (the “City”) within the Lake County, Florida. The District Lands are being developed as a residential community known as “Parkside Trails” (the “Development”). Land development associated with the Development will occur in phases. Phases One and Three (as such terms are hereinafter defined) of the Development contain 496 platted lots (the “2025 Project Area”). The 2025 Project Area is planned to consist of (i) 142 townhomes, (ii) 105 single-family homes on thirty-four-foot (34’) lots, (iii) 55 single-family homes on forty-foot (40’) lots, (iv) 105 single-family homes on fifty-foot (50’) lots, and (v) 89 single-family homes on sixty-foot (60’) lots. The remaining phases of the Development will be developed in the future.

The Series 2025 Bonds are being issued to finance a portion of the 2025 Project (as hereinafter defined), which represents the portion of the Capital Improvement Plan (as hereinafter defined) associated with the 2025 Project Area. The District is expected to issue one or more additional series of bonds in the future to finance remaining portions of the Capital Improvement Plan associated with the remaining 452

* Preliminary, subject to change.

lots planned for the Development. Such bonds will be secured by special assessments levied on the District Lands planned to contain the remaining 452 lots planned for the Development and will not be secured by special assessments on the lands within the 2025 Project Area. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” and “THE DEVELOPMENT – Development Plan/Status” herein.

JEN Florida 47 LLC, a Florida limited liability company (the “Land Bank”) owns a portion of the assessable lands within the 2025 Project Area. The Land Bank has entered into a Construction Agreement (as hereinafter defined) and an Option Agreement (as hereinafter defined) with Pulte Home Company, LLC, a Michigan limited liability company (the “Developer”), pursuant to which the Developer will manage the installation of infrastructure improvements for 496 lots planned for the 2025 Project Area and the Developer has the option to purchase such lots. As of August 2025, the Land Bank owns 232 platted lots within the 2025 Project Area and the Developer owns the remaining 264 platted lots. The Developer is expected to construct and market all 496 planned residential units within the 2025 Project Area for sale to homebuyers. See “THE DEVELOPMENT” and “THE DEVELOPER AND THE LAND BANK” herein for more information.

The Series 2025 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2024-34 and No. 2025-__ adopted by the Board of Supervisors of the District (the “Board”) on September 25, 2024, and August 27, 2025, respectively, and a Master Trust Indenture dated as of September 1, 2025 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of September 1, 2025 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See “APPENDIX A: PROPOSED FORMS OF INDENTURE” herein for more information.

Proceeds of the Series 2025 Bonds will be used to provide funds for (i) the costs of acquiring and/or constructing a portion of the 2025 Project (as hereinafter defined), (ii) the funding of interest on the Series 2025 Bonds through at least November 1, 2025, (iii) the funding of the Series 2025 Reserve Account in an amount equal to the initial Series 2025 Reserve Requirement (as hereinafter defined) and (iv) the payment of the costs of issuance of the Series 2025 Bonds. See “THE CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. “Series 2025 Pledged Revenues” shall mean (a) all revenues received by the District from the Series 2025 Special Assessments (as hereinafter defined) levied and collected on the assessable lands within the 2025 Project Area within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the Land Bank, the Development, the 2025 Project, summaries of certain terms of the Series

2025 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statutes, and all references to the Series 2025 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. The proposed forms of the Master Indenture and the First Supplemental Indenture appear in APPENDIX A hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

General Description

The Series 2025 Bonds are issuable only as fully registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof. The Series 2025 Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the inside cover page hereof.

The Series 2025 Bonds shall be dated as of the date of initial delivery. Regularly scheduled interest on the Series 2025 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. “Interest Payment Date” means May 1 and November 1 of each year, commencing November 1, 2025, and any date principal of the Series 2025 Bonds is paid including any Quarterly Redemption Date. Interest on the Series 2025 Bonds will be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to November 1, 2025, in which case from the date of initial delivery of the Series 2025 Bonds, or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. See “DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System” and “SUITABILITY FOR INVESTMENT” herein.

U.S. Bank Trust Company, National Association is initially serving as the Trustee, Registrar and Paying Agent for the Series 2025 Bonds.

Redemption Provisions

Optional Redemption. The Series 2025 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days’ notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after November 1, 20__ (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from

moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

Mandatory Sinking Fund Redemption. The Series 2025 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2025 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

<u>Year</u>	<u>Mandatory Sinking Fund Redemption Amount</u>

*Maturity

The Series 2025 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2025 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

<u>Year</u>	<u>Mandatory Sinking Fund Redemption Amount</u>

*Maturity

The Series 2025 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2025 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

<u>Year</u>	<u>Mandatory Sinking Fund Redemption Amount</u>

*Maturity

Upon any redemption of the Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised

mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part. The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (taking into account the credit from the Series 2025 Reserve Account pursuant to the First Supplemental Indenture) following a Prepayment in whole or in part of the Series 2025 Special Assessments on any assessable property within the 2025 Project Area within the District in accordance with the provisions of the First Supplemental Indenture;

(ii) from moneys, if any, on deposit in the Series 2025 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2025 Rebate Fund, the Series 2025 Costs of Issuance Account and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture;

(iii) from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account not otherwise reserved to complete the 2025 Project (including any amounts transferred from the Series 2025 Reserve Account) all of which have been transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Notice of Redemption and of Purchase. When required to redeem or purchase any Series 2025 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be given by Electronic Means or mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2025 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2025 Bonds for which notice was duly mailed in accordance with the Indenture. The District shall, when it is directing the Trustee to mail such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice pursuant to the Indenture.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2025 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are

so deposited. If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Series 2025 Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Series 2025 Bonds for which such funds are sufficient, selecting the Series 2025 Bonds to be redeemed randomly from among all such Series 2025 Bonds called for redemption on such date, and among different maturities of Series 2025 Bonds in the same manner as the initial selection of Series 2025 Bonds to be redeemed, and from and after such redemption date, interest on the Series 2025 Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Series 2025 Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Series 2025 Bonds not been called for redemption.

Purchase of Series 2025 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2025 Sinking Fund Account to the purchase of Series 2025 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC") will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2025 Bond certificate will be issued for each maturity of the Series 2025 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2025 Bond documents. For example, Beneficial Owners of Series 2025 Bonds may wish to ascertain that the nominee holding the Series 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory

requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2025 BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE OWNERS OR HOLDERS OF THE SERIES 2025 BONDS OR REGISTERED OWNERS OF THE SERIES 2025 BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BONDS.

The District can make no assurances that DTC will distribute payments of principal of, redemption price, if any, or interest on the Series 2025 Bonds to the Direct Participants, or that Direct and Indirect Participants will distribute payments of principal of, redemption price, if any, or interest on the Series 2025 Bonds or redemption notices to the Beneficial Owners of such Series 2025 Bonds or that they will do so on a timely basis, or that DTC or any of its Participants will act in a manner described in this Limited Offering Memorandum. The District is not responsible or liable for the failure of DTC to make any payment to any Direct Participant or failure of any Direct or Indirect Participant to give any notice or make any payment to a Beneficial Owner in respect to the Series 2025 Bonds or any error or delay relating thereto.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. "Series 2025 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within the 2025 Project Area within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with

respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The “Series 2025 Special Assessments” shall mean the Special Assessments levied on the assessable lands within the 2025 Project Area within the District as a result of the District’s acquisition and/or construction of the 2025 Project. The Series 2025 Special Assessments correspond in amount to the debt service on the Series 2025 Bonds and are designated as such in the Assessment Methodology (as hereinafter defined). The Assessment Methodology, which describes the methodology for allocating the Series 2025 Special Assessments to the assessable lands within the 2025 Project Area, is included as APPENDIX D hereto. The Series 2025 Special Assessments were levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2025 Special Assessments will constitute a lien against the land as to which the Series 2025 Special Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Assessment Methodology / Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2025 Special Assessments will be levied on the 496 platted lots within the 2025 Project Area on the per unit basis set forth below. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

*Preliminary, subject to change.

** This amount is grossed up to include early payment discounts and County collection fees, currently [7]%.

*** To be consistent with market conditions and based on the product type and number of units anticipated to absorb the principal amount of the Series 2025 Bonds, it is estimated that the District will recognize a Developer contribution equal to \$_____ (preliminary, subject to change) in eligible infrastructure.

The District will levy assessments to cover its operation and maintenance costs that will range from approximately [\$460.84 to \$1,382.53][Confirm] per residential unit annually, which amounts are subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be approximately \$_____ per single-family unit annually and \$_____ per townhome annually, which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed

on taxable properties in the District for 2024 was approximately 17.9834 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Lake County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

Additional Obligations

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the 2025 Project Area within the District which secure the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially Absorbed. “Substantially Absorbed” means the date at least 75% of the principal portion of the Series 2025 Special Assessments have been assigned to residential units within the 2025 Project Area within the District that have received certificates of occupancy. The District’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The District shall present the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2025 Special Assessments, at any time upon the written consent of the Majority Holders.

Covenant Against Sale or Encumbrance

In the Indenture, the District will covenant that (a) except for those improvements comprising the 2025 Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the 2025 Project or any part thereof. See “APPENDIX A: PROPOSED FORMS OF INDENTURE” herein for more information.

Series 2025 Reserve Account

The Indenture establishes a Series 2025 Reserve Account within the Debt Service Reserve Fund for the Series 2025 Bonds. The Series 2025 Reserve Account will, at the time of delivery of the Series 2025 Bonds, be funded from a portion of the net proceeds of the Series 2025 Bonds in an amount equal to the initial Series 2025 Reserve Requirement. “Series 2025 Reserve Requirement” or “Reserve Requirement” shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2025 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions (as defined below), the Series 2025 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2025 Bonds.

“Release Conditions” shall mean all of the following: (a) all of the principal portion of the Series 2025 Special Assessments has been assigned to residential units that have each received a certificate of

occupancy; and (b) no Event of Default under the Master Indenture has occurred, all as evidenced pursuant to the provisions of the First Supplemental Indenture.

If a portion of the Series 2025 Bonds are redeemed pursuant to the certain provisions of the First Supplemental Indenture, the Reserve Requirement shall be recalculated after taking into account such extraordinary mandatory redemption. Any amount in the Series 2025 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2025 Bonds be used to pay principal of and interest on the Series 2025 Bonds at that time. The initial Series 2025 Reserve Requirement shall be equal to \$_____.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2025 Bonds caused by investment earnings prior to the Completion Date to the Series 2025 Acquisition and Construction Account and after the Completion Date to the Series 2025 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments (as a result of non-payment of the Series 2025 Special Assessments) and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within the 2025 Project Area, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred by the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the provisions of the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition submitted to the District by the Developer, which requisition shall be executed by the District and the Consulting Engineer and shall be submitted to the Trustee by the District, or to the Person or Persons designated in a previously submitted properly executed requisition, all or a portion of which remains unfunded (“Unfunded Requisition”). Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more Unfunded Requisitions. In the event there are multiple Unfunded Requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest

to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions, the District Manager shall deliver a written certification to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, and the Trustee shall without further direction reduce the Series 2025 Reserve Requirement to ten percent (10%) upon satisfaction of the Release Conditions of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve Account as a result of the satisfaction of the Release Conditions shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the First Supplemental Indenture, the District Manager, on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee will apply any excess in the Series 2025 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2025 Reserve Account is less than the applicable Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Series 2025 Reserve Requirement and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Series 2025 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding November 1, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2025 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the May 1, commencing May 1, 20__ which is a principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2025 Revenue Account to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Requirement for the Series 2025 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund, any Series Account of the Debt Service Reserve Fund, the Series 2025 Bond Redemption Account and the Series 2025 Reserve Account in Government Obligations and the other securities described in the definition of Investment Securities set forth in the Master Indenture. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2025 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it pursuant to the Indenture invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the District and the District shall be responsible for ensuring that such instructions conform to requirements of the Master Indenture. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the District at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial

purchase of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any Fund or Account if no activity occurred in such Fund or Account during such month. See “APPENDIX A: PROPOSED FORMS OF INDENTURE” hereto.

Covenant to Levy the Series 2025 Special Assessments

The District has covenanted to levy the Series 2025 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2025 Bonds when due. If any Series 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2025 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2025 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. In case such second Series 2025 Special Assessment shall be annulled, the District shall obtain and make other Series 2025 Special Assessments until a valid Series 2025 Special Assessment shall be made.

Prepayment of Series 2025 Special Assessments

Pursuant to the Assessment Proceedings, an owner of property subject to the Series 2025 Special Assessments may pay all or a portion of the principal balance of such Series 2025 Special Assessments at any time, provided that a partial prepayment can only occur once, if there is also paid an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding Quarterly Redemption Date for the Series 2025 Bonds, or, if prepaid during the forty-five (45) day period preceding such Quarterly Redemption Date, to the Quarterly Redemption Date following such next succeeding Quarterly Redemption Date.

Pursuant to the Act, an owner of property subject to the levy of Series 2025 Special Assessments may pay the entire balance of the Series 2025 Special Assessments remaining due, without interest, within thirty (30) days after the 2025 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2025 Project pursuant to Chapter 170.09, Florida Statutes. The Developer and the Land Bank, as the owners of the property within the 2025 Project Area, will covenant to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2025 Bonds.

Any prepayment of Series 2025 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2025 Bonds as indicated under “DESCRIPTION OF THE SERIES 2025 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2025 Special Assessments does not entitle the owner of the property to a discount for early payment.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment

for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Indenture, the District acknowledges and agrees that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in the Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2025 Special

Assessments relating to the Series 2025 Bonds Outstanding whether such claim is pursued by the District or the Trustee.

Events of Default and Remedies

Events of Default Defined. The Master Indenture provides that each of the following shall be an “Event of Default” under the Indenture, with respect to the Series 2025 Bonds:

(a) if payment of any installment of interest on any Series 2025 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2025 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2025 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2025 Reserve Account is less than the Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement of the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the “maintenance special assessments” levied by the District on District Lands upon which the Series 2025 Special Assessments are levied to secure the Series 2025 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Acceleration; Redemption. No Series 2025 Bonds shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory

redemption of the Series 2025 Bonds pursuant to the Indenture shall occur unless all of the Series 2025 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2025 Bonds agree to such redemption.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2025 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2025 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2025 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2025 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2025 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2025 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2025 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2025 Bonds.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the collection of Series 2025 Special Assessments imposed on the assessable lands within the 2025 Project Area specially benefited by the 2025 Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D: ASSESSMENT METHODOLOGY.”

The imposition, levy, and collection of Series 2025 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Lake County Tax Collector (“Tax Collector”) or the Lake County Property Appraiser (“Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Special Assessments during any year. Such delays in the collection of Series 2025 Special Assessments, or complete inability to collect the Series 2025 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series

2025 Bonds. See “BONDOWNERS’ RISKS.” To the extent that landowners fail to pay the Series 2025 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds.

For the Series 2025 Special Assessments to be valid, the Series 2025 Special Assessments must meet two requirements: (1) the benefit from the 2025 Project to the lands subject to the Series 2025 Special Assessments must exceed or equal the amount of the Series 2025 Special Assessments; and (2) the Series 2025 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The certificate of the Methodology Consultant, to be delivered at closing of the Series 2025 Bonds, will certify that these requirements have been met with respect to the Series 2025 Special Assessments. In the event that the Series 2025 Special Assessments are levied based on the assumptions that future contributions will be made, the Series 2025 Special Assessments may need to be reallocated in the event such contributions are not made.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2025 Special Assessments through a variety of methods. See “BONDOWNERS’ RISKS.” Initially, and for undeveloped and unplatted properties owned by the Developer and subsequent landowners, or the timing for using the Uniform Method (as hereinafter defined) will not yet allow for using such method, the District will directly issue annual bills to landowners requiring payment of the Series 2025 Special Assessments and will enforce that bill through foreclosure proceedings. See “Assessment Methodology” and “APPENDIX D: ASSESSMENT METHODOLOGY.” As lands are developed, the Series 2025 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

THERE CAN BE NO ASSURANCE THAT ANY SALE OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Chapter 170, *Florida Statutes*, provides that the Series 2025 Special Assessments constitute a lien on the real property within the District co-equal with all State, County, district and municipal taxes, superior in dignity to all other liens, titles and claims on such real property except for certain federal tax liens, until paid, and that the Series 2025 Special Assessments may be collected as and when needed in an amount sufficient to pay the principal of and interest on the Series 2025 Bonds when due. ALTHOUGH THE LIEN AND THE PROCEEDS OF THE SERIES 2025 SPECIAL ASSESSMENTS WILL SECURE THE SERIES 2025 BONDS, AND SAID LIEN AND PROCEEDS OF THE SERIES 2025 SPECIAL ASSESSMENTS ARE PLEDGED TO THE SERIES 2025 BONDS, THE LIEN OF THE SERIES 2025 SPECIAL ASSESSMENTS MAY BE ON THE SAME PROPERTY AS, AND THEREFOR OVERLAP AND BE CO-EQUAL WITH, THE LIENS IN FAVOR OF OTHER ASSESSMENTS AND/OR TAXES WHICH HAVE BEEN OR MAY BE IMPOSED BY THE DISTRICT, THE COUNTY OR OTHER UNITS OF LOCAL GOVERNMENT HAVING ASSESSMENT POWERS WITHIN THE DISTRICT.

Collection and Enforcement of Assessments; Uniform Method Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, the Series 2025 Special Assessments levied on platted lots and pledged to secure the Series 2025 Bonds shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635, *Florida Statutes*, (the “Uniform Method”) unless the District is directed otherwise by the Trustee, acting at the direction of the Majority Holders of the Outstanding Series 2025 Bonds or the timing for using the Uniform Method will

not yet allow for using such method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2025 Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the 2025 Project Area. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2025 Special Assessments – are to be billed, and landowners in the 2025 Project Area are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2025 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the Debt Service requirements on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Special Assessments, (2) that future landowners and taxpayers in the 2025 Project Area will pay such Series 2025 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the 2025 Project Area, and (4) that the eventual sale of tax certificates for real property within the 2025 Project Area, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by

public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record, the tax certificate is null and void. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court of the County (the "Clerk"), the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate,

together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the Clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the 2025 Project Area may affect the demand for certificates and the successful collection of the Series 2025 Special Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

Collection and Enforcement of Assessments; Direct Billing & Foreclosure Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, Series 2025 Special Assessments levied on unplatted lots or lands and pledged to secure the Series 2025 Bonds shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method (discussed hereinbelow), in each case unless the District is directed otherwise by the Trustee, acting at the direction of the Majority Holders of the Outstanding Series 2025 Bonds. Any amount of Series 2025 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date.

As noted above, and pursuant to Chapters 170 and 190, Florida Statutes, the District may directly levy, collect and enforce the Series 2025 Special Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due

and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Special Assessments and the ability to foreclose the lien of such Series 2025 Special Assessments upon the failure to pay such Series 2025 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2025 Special Assessments. See “BONDOWNERS’ RISKS.”

Certain mortgage lenders have, in recent foreclosure initiated pursuant to Section 170.10, Florida Statutes, alleged in defense that a community development district foreclosing on land subject to an assessment lien must wait a minimum of one (1) year from the date that any assessment or installment thereof, becomes delinquent. At least one (1) Circuit Court is known to have concluded that a community development district is authorized to foreclose pursuant to Chapter 170, Florida Statutes, and, therefore, is not required to wait a minimum of one (1) year; however, the District cannot guarantee the outcome of any legal proceeding in which a similar defense is pled.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings in this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developer and the Land Bank own all of the lands within the 2025 Project Area, which are the lands that will be initially subject to the Series 2025 Special Assessments securing the Series 2025 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein. Payment of the Series 2025 Special Assessments is primarily dependent upon their timely payment by the Developer, the Land Bank and subsequent landowners in the 2025 Project Area. See “THE DEVELOPER AND THE LAND BANK” herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer, the Land Bank or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2025 Bonds as such bankruptcy could negatively impact the ability of: (i) the Developer, the Land Bank and any other landowner being able to pay the Series 2025 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2025 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2025 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Developer, the Land Bank or an entity affiliated with the Developer or the Land Bank until such time lots are platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Special Assessments and the ability of the District to foreclose the lien of the Series 2025 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel’s approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

Series 2025 Special Assessments are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the Series 2025 Special Assessments. The Series 2025 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners within the 2025 Project Area will be able to pay the Series 2025 Special Assessments or that they will pay such Series 2025 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2025 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within the 2025 Project Area as a result of implementation and development of the 2025 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2025 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2025 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2025 Special Assessments, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2025 Bonds.

Neither the Developer, the Land Bank nor any other subsequent landowner within the 2025 Project Area has any contractual obligation to pay the Series 2025 Special Assessments. As described herein, the Series 2025 Special Assessments are an imposition against the land only. Neither the Developer, the Land Bank nor any other subsequent landowner is a guarantor of payment of any Series 2025 Special Assessment and the recourse for the failure of the Developer, the Land Bank or any other landowner to pay the Series 2025 Special Assessments is limited to the collection proceedings against the land as described herein.

Regulatory and Environmental Risks

The development of the Development is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands including the 2025 Project Area and the 2025 Project. See “THE DEVELOPMENT – Zoning and Permitting,” and “– Environmental” herein for more information.

The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by environmental factors. Should such land be contaminated by hazardous materials, this could materially and adversely affect the value of the lands, which could materially and adversely affect the success of the development of the Development and the likelihood of the timely payment of the Series 2025 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under “THE DEVELOPMENT – Environmental,” the Developer and the Land Bank will represent that it is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable

future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the Developer’s environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or surrounding areas and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the District lands.

Catastrophic Event Risks

The value of the lands in the District could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support the development of the lands in the District. The occurrence of any such events could materially adversely impact the District’s ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured and the District’s casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful sale of the residential units, once such homes are built within the District may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market, the ability to obtain homeowner’s insurance and other factors beyond the control of the Developer and the Land Bank. Moreover, the Developer has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of specially benefited land to pay the Series 2025 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2025 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the 2025 Project Area, impose additional taxes on the property within the 2025 Project Area. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2025 Special Assessments. In addition, lands within the District will also be subject to assessments by property and homeowner associations.

Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2025 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2025 Special Assessment even though the landowner is not contesting the amount of the Series 2025 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become

delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2025 Bonds

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2025 Bonds. Because the Series 2025 Bonds are being sold pursuant to exemptions from registration under applicable securities laws, no secondary market may develop and an owner may not be able to resell the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2025 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2025 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” and “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein. If the District has difficulty in collecting the Series 2025 Special Assessments, the Series 2025 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Master Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Special Assessments in order to provide for the replenishment of the Series 2025 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Special Assessments if the Series 2025 Special Assessments are not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2025 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2025 Bond proceeds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. The IRS conducted a lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that such districts must have public electors within five or six years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years and there are 250 qualified electors in the District. The District has not yet reached the minimum threshold of 250 qualified electors required under the Act to begin

electing qualified electors to the Board. Currently, all of the current members of the Board are employees of, or affiliated with, the Developer. The Developer will certify as to its expectations as to the timing of the transition of control of the Board to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2025 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

Federal Tax Reform

Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In

addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. See also “TAX MATTERS.”

Insufficient Resources or Other Factors Causing Failure to Complete the 2025 Project Area

The Developer will not be entering into a completion agreement with respect to the completion of the 2025 Project. Accordingly, there can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2025 Project, that the District will be able to raise the moneys necessary to complete the 2025 Project. Pursuant to the First Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the 2025 Project Area within the District which secure the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially Absorbed; provided that such covenant shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Obligations” for more information. There can be no assurance that the Developer will have sufficient resources to complete the 2025 Project. See “THE CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT” and “THE DEVELOPMENT” herein for more information.

[Neither] The Developer [nor the Land Bank] will not be executing a collateral assignment and assumption of development rights with respect to the development of the Development. Accordingly, to the extent that an Event of Default occurs with respect to the Series 2025 Bonds and the District lands are foreclosed upon (if the Series 2025 Special Assessments are not being collected pursuant to the Uniform Method), the landowner acquiring the District lands in event of such foreclosure may not acquire all of the development entitlements necessary to complete the development of the 2025 Project to the extent such development entitlements do not run with the District lands.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not

limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

Payment of Series 2025 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property within the 2025 Project Area because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will likely not, pursuant to its own rules and regulations, be liable to pay the Series 2025 Special Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2025 Bonds.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the Land Bank, the timely and successful completion of the 2025 Project Area and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2025 Special Assessments by owners of the property within the 2025 Project Area or from excess moneys in the Series 2025 Acquisition and Construction Account after the completion of the 2025 Project. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and initial owners of any Premium Bonds (as defined herein) would receive less than the price they paid for the Series 2025 Bonds. See “DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments” herein for more information.

THE DISTRICT

General Information

The District was established by Ordinance No. 2024-045 enacted by the City Council of the City on June 25, 2024. The boundaries of the District include approximately 255.32+/- gross acres of land (the “District Lands”) located within the City of Clermont, Florida (the “City”) within Lake County, Florida (the “County”). The District is being developed as a residential planned development in phases and is planned to contain approximately 948 residential units at build-out consisting of 246 townhome units and 702 single-family detached units. See “THE DEVELOPMENT” herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors, as the governing body (the “Board”), the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2025 Bonds.

Board of Supervisors

The Board is composed of five Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors

receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Aaron Struckmeyer*	Chairperson	November, 2028
Mary Burns*	Vice Chairperson	November, 2028
Richard Jerman**	Assistant Secretary	November, 2026
Dan Edwards**	Assistant Secretary	November, 2026
Bernard Sullivan*	Assistant Secretary	November, 2026

* Employee of, or affiliated with, the Developer.

** Employee of, or affiliated with, the original landowner.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Governmental Management Services – Central Florida, LLC, Orlando, Florida, to serve as its district manager (“District Manager”). The District Manager’s office is located at 219 E Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Vanasse Hangen Brustlin, Inc., Orlando, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as methodology consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2025 Bonds.

No Existing Indebtedness

The District has not previously issued any other bonds or indebtedness.

THE CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT

Vanasse Hangen Brustlin, Inc. (the “District Engineer”) prepared a report entitled Engineer’s Report dated September 19, 2024, as revised on January 10, 2025 (the “Master Engineer’s Report”), as supplemented by the First Supplemental Engineer’s Report for Parkside Trails Community Development District dated _____, 2025 (the “Supplemental Engineer’s Report” and, together with the Master Engineer’s Report, the “Engineer’s Report”). The Engineer’s Report sets forth certain public infrastructure improvements necessary for the development of the 948 residential units planned for the Development (the “Capital Improvement Plan”). The District Engineer estimates the total cost of the Capital Improvement Plan to be approximately \$62,818,750.

Land development associated with the Development will occur in phases. Phases One and Three of the Development contain 496 platted lots (the “2025 Project Area”). The remaining phases of the Development will be developed in the future and are planned to contain 452 lots. The portion of the Capital Improvement Plan associated with the 2025 Project Area is referred to herein as the “2025 Project.”

The Series 2025 Bonds are being issued to finance a portion of the 2025 Project. The District Engineer, in the Engineer’s Report, estimates the total cost to complete the 2025 Project to be \$_____, as more particularly described below. See “APPENDIX C – ENGINEER’S REPORT” for more information.

Land development associated with the 2025 Project Area is underway, with final completion expected by January 2026. Two final plats for the 496 lots within the 2025 Project Area were recorded on September 17, 2024 and June 27, 2025. [As of _____, 2025, the Developer has spent approximately \$____ million on land development associated with the 2025 Project Area, a portion of which includes the 2025 Project.] Net proceeds of the Series 2025 Bonds in the amount of approximately \$6.9* million will be used by the District towards the funding and/or acquisition of a portion of the 2025 Project. Costs not funded with such net proceeds will be funded with Developer equity. See “BONDOWNERS’ RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the 2025 Project Area” herein.

The District is expected to issue an additional series of bonds in the future to finance remaining portions of the Capital Improvement Plan associated with the remaining 452 lots planned for the Development. Such bonds will be secured by special assessments levied on the District Lands planned to contain the remaining 452 lots planned for the Development and will not be secured by special assessments

* Preliminary, subject to change.

on the lands within the 2025 Project Area. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” and “THE DEVELOPMENT – Development Plan/Status” herein

The District Engineer has indicated that all engineering permits necessary to construct the 2025 Project have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer’s Report, please refer to “THE DEVELOPMENT – Zoning and Permitting” for a more detailed description of the entitlement and permitting status of the Development. See “APPENDIX C – ENGINEER’S REPORT” for more information regarding the above improvements.

ASSESSMENT METHODOLOGY

General

The Master Assessment Methodology, dated September 24, 2024, revised on January 29, 2025 (collectively, the “Master Methodology”), as may be further supplemented from time to time, and as supplemented by a final First Supplemental Assessment Methodology for the 2025 Project Area to be dated the sale date of the Series 2025 Bonds (the “Supplemental Methodology” and together with the Master Methodology, the “Assessment Methodology”), which describes the methodology for allocation of the Series 2025 Special Assessments to lands within the 2025 Project Area, has been prepared by Governmental Management Services – Central Florida, LLC, Orlando, Florida (the “Methodology Consultant”). See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2025 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2025 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2025 Special Assessments will be levied on the 496 platted lots within the 2025 Project Area on the per unit basis set forth below. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

** This amount is grossed up to include early payment discounts and County collection fees, currently [7]%.

*** To be consistent with market conditions and based on the product type and number of units anticipated to absorb the principal amount of the Series 2025 Bonds, it is estimated that the District will recognize a Developer contribution equal to \$_____ (preliminary, subject to change) in eligible infrastructure.

The District will levy assessments to cover its operation and maintenance costs that will range from approximately [\$460.84 to \$1,382.53][Confirm] per residential unit annually, which amounts are subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be approximately \$____ per single-family unit annually and \$____ per townhome annually, which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 17.9834 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the

School District of Lake County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

True-up Mechanism

The Assessment Methodology sets forth a “true-up mechanism” which prevents any buildup of debt on unplatted or replatted land (“Unassigned Properties”). At the time Unassigned Properties becomes platted or replatted (“Assigned Properties”), the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is less than the required amount to pay debt service on the Series 2025 Bonds, then a debt reduction payment by the Developer or the Land Bank, as applicable, in the amount necessary to reduce the par amount of the outstanding Series 2025 Bonds plus accrued interest to a level that will be supported by the new maximum annual debt service will be required. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism.”

The following information is provided by the Developer or the Land Bank as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. Neither the Developer, the Land Bank nor any other party is guaranteeing payment of the Series 2025 Bonds or the Series 2025 Special Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 255.32+/- gross acres and are being developed as a 948-unit residential community currently being marketed as “Parkside Trails” (the “Development”). The Development is located within the City of Clermont, Florida (the “City”) within Lake County, Florida (the “County”). The Development is located approximately 3 miles east of U.S. Highway 27, which provides access to the Florida Turnpike approximately 10 miles north. Walt Disney World Resort and LEGOLAND Florida are located within 25 minutes from the Development. Set forth below is a map showing the location of the Development.

Land development associated with the Development will occur in phases. Phases One and Three of the Development contain 496 platted lots (the “2025 Project Area”). The 2025 Project Area consists of

(i) 142 townhomes, (ii) 105 single-family homes on thirty-four-foot (34') lots, (iii) 55 single-family homes on forty-foot (40') lots, (iv) 105 single-family homes on fifty-foot (50') lots, and (v) 89 single-family homes on sixty-foot (60') lots. The remaining phases of the Development will be developed in the future. The portion of the Capital Improvement Plan associated with the 2025 Project Area is referred to herein as the "2025 Project."

The Series 2025 Bonds are being issued to finance a portion of the 2025 Project. The Series 2025 Bonds will be secured by the Series 2025 Special Assessments, which will be levied on the 496 platted lots within the 2025 Project Area as set forth in the Assessment Methodology attached hereto. See "APPENDIX D – ASSESSMENT METHODOLOGY" attached hereto and "– Taxes, Fees and Assessments" herein for more information. Two final plats for the 496 lots within the 2025 Project Area were recorded on September 17, 2024 and June 27, 2025.

The District is expected to issue an additional series of bonds in the future to finance remaining portions of the Capital Improvement Plan associated with the remaining 452 lots planned for the Development. Such bonds will be secured by special assessments levied on the District Lands planned to contain the remaining 452 lots planned for the Development and will not be secured by special assessments on the lands within the 2025 Project Area.

JEN Florida 47 LLC, a Florida limited liability company (the "Land Bank") owns a portion of the assessable lands within the 2025 Project Area. The Land Bank has entered into a Construction Agreement (as hereinafter defined) and an Option Agreement (as hereinafter defined) with Pulte Home Company, LLC, a Michigan limited liability company (the "Developer"), pursuant to which the Developer will manage the installation of infrastructure improvements for 496 lots planned for the 2025 Project Area and the Developer has the option to purchase such lots. As of August 2025, the Land Bank owns 232 platted lots within the 2025 Project Area and the Developer owns the remaining 264 platted lots. The Developer is expected to construct and market all 496 planned residential units within the 2025 Project Area for sale to homebuyers. Land Acquisition and the Option Agreement

The [Land Bank/Developer] acquired the lands within the [Development/2025 Project Area] on _____, 20__ for approximately \$ _____ million. [There are currently no mortgages on the lands within the Development.][Confirm]

The Land Bank has entered into a Construction Agreement dated October 27, 2023 (the "Construction Agreement") with the Developer pursuant to which the Developer will manage the installation of infrastructure improvements for all 948 lots planned for the Development and the Land Bank is obligated to reimburse the Developer for the associated costs incurred related to all 948 lots not funded

with the proceeds of the Series 2025 Bonds and any future bonds. Pursuant to the Construction Agreement, the Developer is obligated to complete the installation of the infrastructure improvements for all 948 lots.

The Developer and the Land Bank entered into an Option Agreement dated October 27, 2023, as may be amended and supplemented from time to time (the “Option Agreement”). Pursuant to the Option Agreement, the Developer paid the Land Bank an option payment of \$17,433,700.08 (the “Option Payment”) for the right for the Developer to acquire all 948 of the developed lots within the Development at approximately \$75,510.45 per townhome lot, \$99,990.56 per thirty-four-foot (34’) lot, \$127,822.39 per fifty-foot (50’) lot, and \$146,362.61 per sixty-foot (60’) lot, for an aggregate bulk purchase price of approximately \$105,359,267.84, plus an additional payment of the monthly interest on the outstanding balance due under the Option Agreement. The Option Payment is nonrefundable, except in the event of a default by the Land Bank, and is to be applied against lot takedowns in accordance with the terms of the Option Agreement. The Developer also paid the Land Bank a separate transaction fee of \$581,123.34, which is nonrefundable and is non-applicable against the purchase price.

Pursuant to the Option Agreement, the initial takedown occurred in October 2024, and the remaining takedowns are required to occur every three months thereafter, until all lots within the Development have been acquired. The Developer has the right to acquire the lots early, subject to an early purchase premium, and to terminate the Option Agreement at any time upon delivery of written notice to the Land Bank. As of August 2025, the Land Bank owns 232 platted lots within the 2025 Project Area and the Developer owns the remaining 264 platted lots. See “BONDOWNERS’ RISKS - Insufficient Resources or Other Factors Causing Failure to Complete the 2025 Project Area” herein.

Development Finance Plan

The Developer estimates the total land development costs associated with the Development will be approximately \$___ million, including costs of the 2025 Project, and other hard and soft costs. [As of _____, 2025, the Developer has spent approximately \$___ million on land development associated with the 2025 Project Area, a portion of which includes the 2025 Project.] Net proceeds of the Series 2025 Bonds in the amount of approximately \$6.9* million will be used by the District towards the funding and/or acquisition of a portion of the 2025 Project. Costs not funded with such net proceeds will be funded by the Developer with equity. See “BONDOWNERS’ RISKS – No 18” herein.

Development Plan / Status

* Preliminary, subject to change.

closing and approximately ____ homes are under construction.] Closings with homebuyers within the 2025 Project Area are expected to commence in _____ 20__.

The Developer anticipates that approximately ____ homes within the 2025 Project Area will close with homebuyers per annum until buildout. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Pursuant to the Phase I ESA, NGI recommended testing the soil of the land within the Development and, if necessary, further groundwater sampling, for contaminants of concern relative to the RECs.]

[A Phase II Environmental Site Assessment was prepared by _____ dated _____ 20__ (the "Phase II ESA"), covering the land in the Development. Since there are no private or onsite wells planned for the Development, _____ did not conduct further groundwater sampling related to EDB. THE SERIES 2025 BONDS AND THE SERIES 2025 SPECIAL ASSESSMENTS DO NOT CONSTITUTE AN INDEBTEDNESS OF, AND ARE NOT GUARANTEED BY, THE DEVELOPER, THE LAND BANK OR PULTE.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2025 Bonds in order that the interest on the Series 2025 Bonds be and remain excludable from gross income for federal income tax purposes. The District’s failure to meet these requirements may cause the interest on the Series 2025 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2025 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2025 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2025 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2025 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2025 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2025 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the status of interest on the Series 2025 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2025 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2025 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2025 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2025 Bonds, or the ownership or disposition of the Series 2025 Bonds. Prospective purchasers of Series 2025 Bonds should be aware that the ownership of Series 2025 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2025 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2025 Bonds, (iii) the inclusion of the interest on the Series 2025 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2025 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2025 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2025 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2025 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2025 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that

may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2025 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2025 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2025 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2025 Bonds, adversely affect the market price or marketability of the Series 2025 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2025 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2025 Bonds, under certain circumstances, to “backup withholding” at the rates set forth in the Code, with respect to payments on the Series 2025 Bonds and proceeds from the sale of Series 2025 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2025 Bonds. This withholding generally applies if the owner of Series 2025 Bonds (i) fails to furnish the payor such owner’s social security number or other taxpayer identification number (“TIN”), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2025 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2025 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2025 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2025 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2025 Bonds does not purchase at least \$100,000 of the Series 2025 Bonds at the time of initial delivery of the Series 2025 Bonds, such beneficial owner must execute and deliver to the District and

the Underwriter on the date of delivery of the Series 2025 Bonds the investor letter in the form attached to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2025 Bonds upon an Event of Default under the Master Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

NO RATING

No application for a rating for the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2025 Bonds would have been obtained if application had been made.

FINANCIAL INFORMATION

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E, commencing with the audited financial statements of the District for the Fiscal Year ending [September 30, 2025]. Since its creation, the expenses of the District have been funded entirely by voluntary contributions from the Developer. Attached hereto as APPENDIX F is a copy of the District's unaudited financial statements for the period ended June 30, 2025. The Series 2025 Bonds are not general obligation bonds of the District and are payable solely from the Series 2025 Pledged Revenues.

Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District is not and has not since the date of its creation been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District, the Developer and the Land Bank, each as an Obligated Person (as such term is defined in the herein defined Disclosure Agreement), will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule") the proposed form of which is set forth in APPENDIX E. The Disclosure Agreement is for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Series

2025 Bonds), to provide notice of certain events listed in the Disclosure Agreement and certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the “Reports”) to the MSRB through EMMA. The specific nature of the information to be contained in the Reports is set forth in “APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT.” Under certain circumstances, the failure of the District, the Developer or the Land Bank (while an Obligated Person) to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Master Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), as applicable, to bring an action for specific performance.

The District and the Land Bank have not previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the “Rule”). The District appointed the District Manager to serve as the initial dissemination agent under the Disclosure Agreement.

Also, pursuant to the Disclosure Agreement, the Land Bank and the Developer will covenant to provide certain financial information and operating data relating to the District, the Land Bank and the Developer, as applicable, on a quarterly basis, upon the written request of the Dissemination Agent. To the Developer’s knowledge, in the previous five years it has not failed to comply, in all material respects, with any previous undertakings in a written agreement entered into in connection with the Rule.

UNDERWRITING

FMSbonds, Inc. (the “Underwriter”) has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2025 Bonds from the District at a purchase price of \$_____ (representing the par amount of the Series 2025 Bonds [plus][less][net] original issue [premium][discount] of \$_____ and less an Underwriter’s discount of \$_____). The Underwriter’s obligations are subject to certain conditions precedent and if satisfied or waived, the Underwriter will be obligated to purchase all of the Series 2025 Bonds if any are purchased.

The Underwriter intends to offer the Series 2025 Bonds to accredited investors at the offering prices set forth on the inside cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2025 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

VALIDATION

Eighty-Two Million Five Hundred Fifteen Thousand Dollars (\$82,515,000) of special assessments bonds of the District to be issued from time to time were validated by final judgment of the Circuit Court of the Fifth Judicial Circuit of Florida in and for the County, rendered on March 19, 2025. The period of time during which an appeal of such judgment can be taken expired on April 18, 2025, with no appeals having been filed.

LEGAL MATTERS

Certain legal matters related to the authorization, sale and delivery of the Series 2025 Bonds are subject to the approval of Greenberg Traurig, P.A., West Palm Beach, Florida, Bond Counsel. Certain legal matters will be passed upon for the Underwriter by its counsel, Squire Patton Boggs (US) LLP, Miami,

Florida. Certain legal matters will be passed upon for the District by its counsel, Kutak Rock LLP, Tallahassee, Florida.

Bond Counsel's opinion included herein is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date hereof. Any or all of the items listed above may be incorporated by reference from other documents, including limited offering memorandums and official statements of debt issues of the Issuer or related public entities, which have been submitted to the MSRB or the SEC. If the document incorporated by reference is a final limited offering memorandum or official statement, it must be available from the MSRB. The Issuer shall clearly identify each such other document so incorporated by reference.

(d) Any Annual Financial Information containing modified operating data or financial information is required to explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

5. **Quarterly Reports.**

(a) Each Obligated Person (other than the Issuer), until its obligation hereunder has terminated pursuant to Section 7 hereof, shall provide an electronic copy of the Quarterly Report to the Dissemination Agent no later than ten (10) days prior to the Quarterly Filing Date commencing with the calendar quarter ending March 31, 2026. (e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2025 Sinking Fund Account.” Moneys shall be deposited into the Series 2025 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2025 Reserve Account.” Proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2025 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2025 Bonds caused by investment earnings prior to the Completion Date to the Series 2025 Acquisition and Construction Account and after the Completion Date to the Series 2025 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the Issuer shall cause the District Manager, on behalf of the Issuer to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred by the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account as described below to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" which requisition shall be executed by the Issuer and the Consulting Engineer and shall be submitted to the Trustee by the Issuer, or to the Person or Persons designated in a previously submitted properly executed requisition, all or a portion of which remains unfunded ("Unfunded Requisition"). Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more Unfunded Requisitions. In the event there are multiple Unfunded Requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions, the District Manager shall deliver a written certification to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, and the Trustee shall without further direction reduce the Series 2025 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve Account as a result of satisfaction of the Release Conditions shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the provisions of this First Supplemental Indenture, the District Manager, on behalf of the Issuer, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the

Trustee shall apply any excess in the Series 2025 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2025 Bond Redemption Account” and within such Account, a “Series 2025 General Redemption Subaccount,” a “Series 2025 Optional Redemption Subaccount,” and a “Series 2025 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2025 Bonds, moneys to be deposited into the Series 2025 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2025 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (including all earnings on investments held in such Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2025 Bonds equal to the amount of money transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2025 Rebate Fund designated as the “Series 2025 Rebate Fund.” Moneys shall be deposited into the Series 2025 Rebate Fund, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2025 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2025 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2025 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2025 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next

succeeding May 1, less any amount on deposit in the Series 2025 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20XX, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, commencing May 1, 20XX which is a principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2025 Revenue Account to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2025 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2025 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2025 Bonds, to execute and deliver the Indenture and to pledge the Series 2025 Pledged Revenues for the benefit of the Series 2025 Bonds to the extent set forth herein. The Series 2025 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2025 Bonds, except as otherwise permitted under the Master Indenture. The Series 2025 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2025 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2025 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2025 Bonds, the Issuer will promptly proceed to construct or acquire, pursuant to the Acquisition Agreement, the 2025 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Series 2025 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or as a result of acceleration of the Series 2025 Special Assessments because of non-payment thereof or as a result of true-up payment, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Series 2025 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2025 Reserve Account will exceed the Reserve Requirement for the Series 2025 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) and the resulting redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account as a credit against the Series 2025 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the Issuer upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2025 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2025 Bonds, there will be sufficient Series 2025 Pledged Revenues to pay the principal and interest, when due, on all Series 2025 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2025 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2025 Special Assessment has been paid in whole or in part and that such Series 2025 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2025 Prepayment Principal. The Trustee shall calculate the amount available for extraordinary mandatory redemption of the Series 2025 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date and will withdraw money from the Series 2025 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and Section 4.05(a) hereof. No Series 2025 Reserve Account credit shall be given if as a result the Reserve Requirement shall be less than is required

after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2025 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2025 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2025 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

ARTICLE V COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2025 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2025 Special Assessments relating to the acquisition and construction of the 2025 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Section 197.3632, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2025 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise or the timing for using the Uniform Method will not yet allow for using such method. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2025 Special Assessments, and to levy the Series 2025 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2025 Bonds when due. All Series 2025 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934, as amended. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2025 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding Bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the 2025 Project Area within the District which secure the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially Absorbed. The Issuer’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer shall provide the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2025 Special Assessments, at any time upon the written consent of the Majority Holders.

SECTION 5.05. Acknowledgement Regarding Series 2025 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2025 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (i) the Series 2025 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2025 Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2025 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The Issuer covenants not to enter into any contract regarding the 2025 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

The Series 2025 Bonds are being issued under authority of the laws and Constitution of the State of Florida, including particularly the Act, to pay the costs of constructing and/or acquiring the 2025 Project (as defined in the herein referred to Indenture). The Series 2025 Bonds shall be issued as fully registered bonds in authorized denominations, as set forth in the Indenture. The Bonds are issued under and secured by a Master Trust Indenture dated as of September 1, 2025 (the “Master Indenture”), as amended by a First Supplemental Trust Indenture dated as of September 1, 2025 (the “First Supplemental Indenture” and together with the Master Indenture, the “Indenture”), each by and between the Issuer and the Trustee, executed counterparts of which are on file at the designated corporate trust office of the Trustee in Fort Lauderdale, Florida.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Series 2025 Bonds issued under the Indenture, the operation and application of the Debt Service Fund, the Series 2025 Reserve Account within the Debt Service Reserve Fund and other Funds and Accounts (each as defined in the Indenture) charged with and pledged to the payment of the principal of and the interest on the Series 2025 Bonds, the levy and the evidencing and certifying for collection, of the Series 2025 Special Assessments, the nature and extent of the security for the Bonds, the terms and conditions on which the Series 2025 Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under which such Indenture may be amended without the consent of the registered owners of the Series 2025 Bonds, the conditions under which such Indenture may be amended with the consent of the Majority Holders of the Series 2025 Bonds outstanding, and as to other rights and remedies of the registered owners of the Series 2025 Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the City, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the City, the County, the State or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for the Series 2025 Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Series 2025 Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of the Series 2025 Special Assessments to secure and pay the Bonds.

The Series 2025 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the redemption price of the Series 2025 Bonds shall be made on the dates specified below. Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemption, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption

or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

UNIFORM COLLECTION AGREEMENT

THIS AGREEMENT made and entered into this ____ day of _____ 2025, by and between PARKSIDE TRAILS COMMUNITY DEVELOPMENT DISTRICT ("District"), whose address is 219 E. Livingston Street, Orlando, FL 32801, and Honorable David W. Jordan, in his capacity as the Lake County Tax Collector, ("Tax Collector"), whose address is Lake County Tax Collector's Office, 1800 David Walker Drive, Tavares, Florida 32778.

SECTION I: Findings and Determinations.

The parties find and determine:

1. The District, pursuant to the provisions of Chapter 190, Florida Statutes, is authorized to impose and levy, and by appropriate resolution (**Resolution 2024-28**) has expressed its intent to use the statutory uniform methodology of collection for certain non-ad valorem assessments which include benefit and maintenance assessments and assessments for the acquisition, construction, or reconstruction of assessable improvements, as authorized by constitutional and statutory home rule and by Section 197.3632, Florida Statutes, and Rule 12D-18, Florida Administrative Code.
2. The term "Assessment" means those certain levies by the District, which purport to constitute non-ad valorem special assessments for the purpose of paying principal and interest on any and all of its indebtedness and for the purpose of paying the cost of operating and maintaining its assessable improvements. A non-ad valorem special assessment is lienable under Section 4, Article X, Florida Constitution, if it results in a special benefit peculiar to the parcels of property involved, over and above general community benefit, as a result of a logical connection to the property involved from the system, facility and service provided by the District and if it is apportioned to the property fairly and reasonably.
3. The uniform statutory collection methodology is provided in Section 197.3632, Florida Statutes, and Rule 12D-18, Florida Administrative Code ("uniform methodology"), with its enforcement provisions, including the use of tax certificates and tax deeds for enforcing against any delinquencies.
4. The uniform methodology is more fair to the delinquent property owner than traditional lien foreclosure methodology.
5. The uniform methodology provides for more efficiency of collection by virtue of the Assessment being on the official tax notice issued by the Tax Collector, which will produce positive economic benefits to the District and its citizens and taxpayers.
6. The uniform methodology, through use of the official tax notice, will tend to eliminate confusion and promote local government accountability.

7. The Tax Collector, as the state constitutional officer for the Lake County political subdivision, is charged by general law in Chapter 197, Florida Statutes, and related rules and regulations to function as the agent of the Florida Department of Revenue for purposes of the uniform methodology for the Assessment.

8. The sole and exclusive responsibility to determine, impose and levy the Assessment and to determine that it is a legal, constitutional and lienable non-ad valorem special assessment is that of the District and no other person, entity or officer.

SECTION II: General.

1. Section 2, Article VIII, Florida Constitution; Section 166.021, Florida Statutes; Sections 197.3631, 3632 and 3635, Florida Statutes; Rule 12D-18, Florida Administrative Code, and all other applicable provisions of constitutional and statutory law govern the exercise by the District of its local self-government power to render and pay for municipal services.

2. Section 1(d), Article VIII, Florida Constitution; Chapter 197, Florida Statutes; Rule 12D-13, Florida Administrative Code; Rule 12D-18, Florida Administrative Code, and other applicable provisions of constitutional and statutory law apply to the Tax Collector in his capacity as a state constitutional county officer and agent of the Florida Department of Revenue for the purpose of collecting and enforcing the collection of non-ad valorem special assessments levied by the District, an independent special district.

3. Section 197.3631, Florida Statutes, constitutes supplemental authority for the District to levy non-ad valorem assessments including such non-ad valorem special assessments as the Assessment for paying principal and interest on any and all its indebtedness and for the purpose of paying the cost of operating and maintaining its assessable improvements.

4. Section 197.3632, Florida Statutes, and Rule 12D-18, Florida Administrative Code, have provisions that apply both to the District and to the Tax Collector in and for Lake County, as well as the Department of Revenue.

SECTION III: Purpose.

The purpose of this Agreement under Rule 12D-18, Florida Administrative Code, is to establish the terms and conditions under which the Tax Collector shall collect and enforce the collection of certain non-ad valorem special assessments, the Assessment, levied by the District to include compensation by the District to the Tax Collector for the cost of collection pursuant to Section 197.3632(8)(c), Florida Statutes and payment by the District of any costs involved in separate mailings because of non-merger of any non-ad valorem special assessment roll as certified by the District or its designee, pursuant to Section 197.3632(7), Florida Statutes; and reimbursement by the District for necessary administrative costs, including, but not limited to, those costs associated with personnel, forms, supplies, data processing, computer equipment, postage and programming which attend all of the collection and enforcement duties imposed upon the Tax Collector by the uniform methodology, as provided in section 197.3632(2), Florida Statutes.

SECTION IV: Term.

The term of this Agreement shall commence upon execution, effective for the 2025 tax notice purposes, and shall continue and extend uninterrupted from year-to-year, automatically renewed for successive periods not to exceed one (1) year each, unless the District shall inform the Tax Collector, as well as the Property Appraiser and the Department of Revenue by January 10 of each calendar year, if the District intends to discontinue to use the uniform methodology for such Assessment pursuant to Section 197.3632(6), Florida Statutes, and Rule 12D-18.006(3), Florida Administrative Code, using Form DR-412 promulgated by the Florida Department of Revenue. Either party may terminate this Agreement for convenience with thirty (30) days written notice to the other parties.

SECTION V: Duties and Responsibilities of the District.

The District agrees, covenants and contracts to:

1. Provide the Tax Collector with a certified copy of the Resolution expressing the intent to utilize the uniform method, a copy of the newspaper advertisement, and a certification of proof of publication.
2. Compensate the Tax Collector for the actual costs of collection, not to exceed two (2) percent, on the amount of the Assessment collected under the uniform methodology, pursuant to Sections 197.3632(8)(c), 192.091(2)(b)2, Florida Statutes, and 12D-18.004(2), Florida Administrative Code.
3. To pay for or alternatively to reimburse the Tax Collector for any separate tax notice necessitated by the inability of the Tax Collector to merge the non-ad valorem special assessment roll certified by the District pursuant to Section 197.3632(7), Florida Statutes, and Rule 12D-18.004(2), Florida Administrative Code.
4. The District shall be directly responsible for any requirements and costs associated with advertising relating to implementation of the uniform non-ad valorem special assessment law pursuant to Sections 197.3632 and 197.3635, Florida Statutes, and Rule 12D-18.004(2), Florida Administrative Code.
5. By September 15 of each calendar year, the District shall certify, using DR Form 408A, to the Tax Collector the non-ad valorem special assessment roll on compatible electronic medium, tied to the property parcel identification number and otherwise in conformance with the ad valorem tax rolls submitted by the Property Appraiser in July to the Department of Revenue. The District or its agent on behalf of the District shall post the non-ad valorem special assessment for each parcel on the said non-ad valorem special assessment roll and shall exercise its responsibility that such non-ad valorem special assessment roll be free of errors and omissions. Section 197.3632(5), Florida Statutes, and Rule 12D-18.006, Florida Administrative Code.

6. The District agrees to abide by and implement its duties in connection with or related to the uniform methodology pursuant to all the provisions of Sections 197.3632 and 197.3635, Florida Statutes, or its successor of statutory provisions and all applicable State and Federal laws, regulations and rules.

7. The District acknowledges that the Tax Collector has no duty, authority or responsibility in the imposition and levy of any non-ad valorem special assessments, including the District's Assessment and that it is the sole responsibility and duty of the District to follow all procedural and substantive requirements for the levy and imposition of constitutionally lienable non-ad valorem special assessments, including the Assessment.

SECTION VI: Duties of the Tax Collector.

1. The Tax Collector shall merge timely the legally certified Assessment roll of the District with all non-ad valorem special assessment rolls, merge said rolls with the tax roll, prepare a collection roll and prepare a combined notice (the tax notice) for both ad valorem taxes and non-ad valorem special assessments for all levying authorities (all the local governments) within the county political subdivision, pursuant to sections 197.3632 and 197.3635, Florida Statutes, and its successor provisions and any applicable rules, and their successor rules, promulgated by the Department of Revenue, and in accordance with any specific ordinances or resolutions adopted by the District, so long as said ordinances and resolutions shall themselves each and every one clearly state intent to use the uniform method for collecting such assessments and so long as they are further not inconsistent with, or contrary to, the provisions of sections 197.3632 and 197.3635, Florida Statutes, and their successor provisions, and any applicable rules.

2. The Tax Collector shall collect the Assessments of the District as certified by the Chairman of the District Board of Supervisors, or his or her designee, to the Tax Collector no later than September 15 of each calendar year on compatible electronic medium, tied to the property identification number for each parcel, and in the format used in July by the Property Appraiser for the ad valorem rolls submitted to the Department of Revenue, using DR Form 408A, and free of errors and omissions.

3. The Tax Collector agrees to cooperate with the District in implementation of the uniform methodology for collecting Assessments pursuant to sections 197.3632 and 197.3635, Florida Statutes, and any successor provisions and applicable rules. The Tax Collector shall not accept any non-ad valorem special assessment roll for the "Assessments" of the District that is not officially, timely and legally certified to the Tax Collector pursuant to Chapter 197, Florida Statutes, and Rule 12D-18, Florida Administrative Code.

4. If the Tax Collector discovers errors or omissions on such roll, the Tax Collector may request the District to file a corrected roll or a correction of the amount of any assessment and the District shall bear the cost of any such error or omission.

5. If the Tax Collector determines that a separate mailing is authorized pursuant to section 197.3632(7), Florida Statutes, and any applicable State laws, regulations and rules,

and any successor provision to said laws, regulations or rules, the Tax Collector shall either mail a separate notice of the particular non-ad valorem special assessment or shall direct the District to mail such a separate notice. In making this decision, the Tax Collector shall consider all costs to the District and to the taxpayers of such a separate mailing as well as the adverse effect to the taxpayers of delay in multiple notices. Tax Collector shall have sole discretion in making such decision. If such a separate mailing is affected, the District shall bear all costs associated with the separate notice for the non-ad valorem special assessment that could not be merged, upon timely billing by the Tax Collector.

SECTION VII: Miscellaneous Provisions.

1. The parties shall perform all their obligations under this Agreement in accordance with good faith and prudent practice.
2. This Agreement constitutes the entire agreement between the parties with respect to the subject matter contained herein and may not be amended, modified or rescinded unless otherwise provided in this Agreement, except in writing and signed by all the parties hereto. 3. This Agreement shall be governed by the laws of the State of Florida.
4. In the event that either party retains an attorney relating to a dispute between the parties to this Agreement, the prevailing party shall be entitled to collect from the non-prevailing party, all attorney's fees and costs incurred in connection therewith (including all levels of appeal, administrative proceedings and alternative dispute resolution proceedings).

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The second part of the paper describes the methodology used in the study, including the data collection and analysis techniques. The third part of the paper presents the results of the study, and the fourth part discusses the conclusions and implications of the findings.

The study was conducted using a quantitative research design. Data was collected from a sample of 100 participants using a survey questionnaire. The data was then analyzed using statistical software to identify patterns and trends. The results of the study show that there is a significant relationship between the variables being studied.

The findings of the study have several implications for practice and policy. First, the results suggest that there is a need for further research in this area. Second, the findings indicate that certain interventions may be effective in addressing the issues identified in the study. Finally, the results suggest that there are opportunities for future research to explore the underlying mechanisms of the observed relationships.

In conclusion, the study provides valuable insights into the topic being investigated. The findings suggest that there is a need for further research and that certain interventions may be effective. The results also indicate that there are opportunities for future research to explore the underlying mechanisms of the observed relationships.

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of education, where cultural differences can significantly impact learning outcomes. The paper then moves on to discuss the challenges of conducting research in culturally diverse settings. It notes that researchers often face difficulties in establishing rapport with participants and in interpreting their responses. To address these challenges, the paper suggests several strategies, including the use of local informants and the development of culturally appropriate research instruments. The final part of the paper discusses the importance of ethical considerations in cross-cultural research. It emphasizes the need for researchers to obtain informed consent from participants and to ensure that their research does not cause harm or exploitation. The paper concludes by noting that while cross-cultural research is a complex and challenging endeavor, it is also a highly rewarding one that can lead to a deeper understanding of human behavior and culture.

The first part of the paper discusses the importance of understanding the local context in which a project is implemented. This includes a thorough analysis of the social, economic, and cultural factors that may influence the success or failure of the intervention. It is essential to engage with the community from the outset, ensuring that their voices are heard and their needs are addressed. This participatory approach not only fosters a sense of ownership and commitment among the community members but also allows for the identification of potential challenges and the development of strategies to overcome them.

The second part of the paper focuses on the design and implementation of the project. It outlines the key principles that should guide the development of the intervention, such as sustainability, scalability, and inclusivity. The importance of monitoring and evaluation is emphasized, as it provides a means to assess the progress of the project and make adjustments as needed. The paper also discusses the role of leadership and management in ensuring that the project is effectively implemented and that the resources are used efficiently.

The third part of the paper presents a case study of a project that has been successfully implemented in a rural community. This example illustrates the practical application of the principles discussed in the previous sections and provides a valuable source of inspiration for other practitioners. The case study highlights the challenges that were encountered and the strategies that were used to overcome them, as well as the positive outcomes that have been achieved.

In conclusion, the paper emphasizes the need for a holistic and participatory approach to project implementation. By understanding the local context, engaging the community, and following the key principles of sustainability, scalability, and inclusivity, practitioners can increase the likelihood of successful outcomes. The case study provides a concrete example of how these principles can be applied in practice, and the paper concludes with a call to action for practitioners to adopt this approach in their own work.
